Historical note: Thank you John Boyle! When, Holmdel, NJ could not host the 2001 USATF Masters 5k XC Championships due to last minute course unavailability, John Boyle stepped in to rescue the event. Many runners had serious travel concerns as the 9-11 terrorist attacks that disrupted national air travel had occurred only 2 months prior to the race. The 5k course at Sperling Sports Complex had to be adjusted at the last minute due to torrential rains that flooded portions of the trail. Alligators had been spotted in the shallow flooded areas. Ironically, the adjusted course ran parallel to the runways of Deland Municipal Airport where several of the 9-11 terrorists had taken flight training.

2	2	16:40	Steve Gallagher	45	83.87
3	18	20:09	Thom Weddle	63	80.95
4	5	17:41	Tim McMullen	48	80.88
5	3	17:24	Gary Moore	45	80.34

Note: I was not the USATF Masters Cross Country Rep. in 2000 but I did compete in this event. I ran 23:37 and finished 23rd of 30 Master Men. I was 4th in the M50-54 age group. Race Director John Boyle, the Vice-Chair of Masters LDR, offered to host the race at the last minute after a cancellation. This was shortly after the 911 attack and many people were still afraid to fly so, it was a very small field (30 men, 8 women). The 'official' age graded results published were calculated using the age grade adjusted times. I have used the 1996 age graded tables to generate the above age graded per cents with no change in the published age graded placings.
